By William Ralston Shedden Ralston

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Russian Folk-Tales Of late years several articles have appeared in some of the German periodicals,3 giving accounts or translations of some of the Russian Popular Tales. But no thorough investigation of them appeared in print, out of Russia, until the publication last year of the erudite work on Zoological Mythology by Professor Angelo de Gubernatis. In it he has given a summary of the greater part of the stories contained in the Collections of Afanasief and Erlenvein, and so fully has he described the part played in them by the members of the animal world that I have omitted, in the present volume, the chapter I had prepared on the Russian beast-epos. Reviews

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.
