Ramblers in Paradise: A Memoir (Paperback)

By E Scherer David E Scherer, David Scherer

iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whether you re rambling around the world or just your own neighborhood, you ll enjoy the adventures of the ultimate ramblers, David Scherer and his wife, Martha. Join them as they travel from Africa to Australia, Rio to Rhodes, and interact with everything from gay penguins to stoned koalas. At once entertaining and inspirational, this is a memoir full of wit, wisdom, and our wondrous world. No doubt, it ll elbow you into doing a little rambling of your own. They ve visited one hundred and forty-eight countries, which is more than the Queen herself (not the Cunard vessels, which they ve sailed as well, just to keep the record straight). Their maritime rambles include a crash in a hot-air balloon, confrontations with lions and kidnapers, and unwitting incursions into seagoing nudist colonies. They have made nine circuits of the world and one hundred and twenty individual voyages on Crystal Cruises. Given the number of catastrophic blunders they ve made en route, it s a wonder they ve returned at all, let alone with panache.

Reviews

This publication is definitely not effortless to get going on reading through but really exciting to read through. it was actually writtern really properly and beneficial. I am just very easily could get a delight of reading through a created publication.
