The Big Book of Wooden Boat Restoration is the perfect introduction or reference guide for both novice and experienced wooden boat enthusiasts. This ultimate guide to restoration contains useful facts and an extensive glossary, accessible to both new hobbyists and longtime boat lovers. Also within this book are chapters on boat care, including winter maintenance, racing, finishing, and stripping. Additionally, there is updated information on boat building, gluing, and tools. He explains how staying on top of maintenance keeps a unique fleet of wooden boats alive. With practical instructions and fact boxes with advice and tips, this book will teach you all about maintenance: surface treatment, scraping the hull, equipping the boat in the spring, and looking after it in the winter.
