Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A drug reaped from the soul of a mortal has corrupted the magic system in the Inner Universe of Aalenstar. This volatile essence floods the Taster with new power, while stripping their moral compass, enslaving them to one of the deadly sins. The Falcon Agency of warrior scholars seeks the allegiance of Kyrie Kylkynne, a free-spirited, uniquely skilled teenager with a tempest mind and a rebel s heart. Falcon offers her a home as they scour the galaxies for the underwater centers where the drug is created through the SoulTrade by the dauntless Crep Systeme of magicians. Kyrie awakens to her true identity when the universe realizes what a powerful sorceress she can become. She recklessly endangers herself to pursue answers, a badass girl with bigass dreams. She hides her turbulent mental demons, though they embolden and jeopardize her every move. Dragons breathe mystery beyond the path of starships, Time Trappers plunge into the space-time fabric, and assassins infiltrate all sides. In this epic science fiction fantasy space opera novel, characters face the perils of their mental demons as much as the perils of their purpose in epic social, political, and military star systems. Kyrie is too smart to obey blindly, as the Crep Empress beckons and the FalconLeaders command, but she is also too audacious to avoid mischief in the stars and the greater allure to Taste the treacherous drug.
