Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Whether you are a fan of freebies, curious about the hobby of "sweeping", or have been entering to win for a while, get ready to change the way you think about sweepstakes and giveaways. Entering these promotions the RIGHT way can have you waking up to winning emails before you know it! Your friends that seem to always have free things show up at their doorstep aren't just lucky- they have a winning strategy and now you can too. After reading this fun guide you will learn why luck is overrated when it comes to winning, why social media matters, and where to find great prizes with even better odds. Learn how to locate and enter giveaways that few people know about, why it's important to stay positive even when wins are slow, and the best attitude to have regarding your fellow sweepers. With more people joining this fun and exciting hobby every year, and with more opportunities than ever before (thank you Internet!), now is the perfect time to hop on board and start winning the prizes that will benefit you and those around you. Imagine having every Christmas and birthday taken care of because you've won the gifts ahead of time! It's not a fantasy- millions of people enter for prizes large and small every single year and are able to give wonderful items to themselves and their families on a regular basis. It's real. It's legitimate. It's obtainable. So are you ready? It's time to start thinking outside the box to get the results YOU want!
