Magnetic Press, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Life in the primordial swamps of prehistoric Earth was a daily trial of survival, especially for the smaller dinosaurs just trying to get by without being trampled, attacked, or eaten. Not even the biggest beasts were safe, as there always seemed to be an even bigger threat looming on the horizon. This exciting tale, written by Frederic Brremaud, is told without narration or dialogue, conveyed entirely through the beautiful illustrations of Federico Bertolucci. A beautiful, powerful tale of survival in the animal kingdom that explores the all-too-identifiable, universal concepts of Life, Courage, Aging, and ultimately Love. The fourth volume in the lavishly illustrated series of wildlife graphic novels, each following a single central animal through an adventurous day in their natural environment. Each tale depicts genuine natural behavior through the dramatic lens of Disney-esque storytelling, like a nature documentary in illustration.
