Pearson, 2017. Hardback. Condition: New. 13th ed.. Language: English . Brand New Book. Revel(TM) is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience--for less than the cost of a traditional textbook. The core concepts and tools readers need to make informed investment decisions Revel Fundamentals of Investing helps readers make informed investment decisions by providing a solid foundation of core concepts and tools. Smart, Gitman, and Joehnk use practical, hands-on applications to introduce the topics and techniques used by both personal investors and money managers. They also integrate a consistent framework based on learning goals to keep readers focused in each chapter. Using this approach, readers receive the necessary information for developing, implementing, and monitoring a successful investment program. The 13th Edition uses a conversational tone to make the foreign language, concepts, and strategies of investing accessible to readers. In Revel, individuals build their understanding through hands-on practice and interactive media, preparing them to make informed decisions in order to achieve investment goals. The title focuses on both individual securities and portfolios, teaching readers to consider the risk and return of different types of investments and how to use this knowledge to develop, implement, and monitor goals. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.
