ANXIETY: BOOK X: THE SEMINAR OF JACQUES LACAN

[DOWNLOAD](#)

Polity Press, United Kingdom, 2016. Paperback. Book Condition: New. 1. Auflage. 228 x 183 mm. Language: English . Brand New Book. Jacques Lacan is widely recognized as a key figure in the history of psychoanalysis and one of the most influential thinkers of the 20th Century. In *Anxiety*, now available paperback, he explores the nature of anxiety, suggesting that it is not nostalgia for the object that causes anxiety but rather its imminence. In what was to be the last of his year-long seminars at Saint-Anne hospital, Lacan's 1962-63 lessons form the keystone to this classic phase of his teaching. Here we meet for the first time the notorious *a* in its oral, anal, scopophilic and vociferated guises, alongside Lacan's exploration of the question of the analyst's desire. Arriving at these concepts from a multitude of angles, Lacan leads his audience with great care through a range of recurring themes such as anxiety between *jouissance* and desire, counter-transference and interpretation, and the fantasy and its frame. This important volume, which forms Book X of *The Seminar of Jacques Lacan*, will be of great interest to students and practitioners of psychoanalysis and to students and scholars throughout the humanities and social sciences, from literature and critical theory to sociology, psychology and gender studies.
