They're rogues of the sea, ruthless and without morals, men whose very word is the only law around, but in the right circumstances and to the right woman, they're heroes worthy of love. In this collection you'll find the tales of two Regency-era pirates. *Act of Pardon* features the harsh, unyielding Captain Adrian Westebrooke and his quest to rise above his circumstances while making a life for himself and his crew. Miss Sarah Covington's life collides with his at the hangman's gallows as she attempts to put a knife into his chest. A fine line separates hatred from desire, and both Adrian and Sarah fight for balance between them. The two will need to find common ground in order to gain understanding and love. *Angels Master* brings you the story of Ethan Williams, a pirate with a conscience. Though he knows the era of piracy is nearly done, he can't help but enjoy his time to the last. Jacqueline Massey is more than she seems and she bears a remarkable resemblance to the masthead on the *Angels Fury*. But that can't be right. After all, no one's ever seen an angel. Once he takes her hostage on his ship, Ethan struggles to show her the human side to him. It'll take a miracle to permanently give him the angel in his arms as well as evade the American Navy.
