It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LIFE ALIGNMENT: THE STORY OF JEFF LEVIN'S REVOLUTIONARY HEALING SYSTEM

Watkins Media. Paperback. Book Condition: new. BRAND NEW, Life Alignment: The Story of Jeff Levin's Revolutionary Healing System, Philippa Lubbock, Philippa Lubbock tells the wonderful story of how one of today's foremost healers, Dr Jeff Levin, came to understand that he was being given a special message - and the gift of practising and teaching this extraordinarily powerful new vibrational healing method. In the course of her account she explains how the healing system works. The mind controls the body, with the result that self-limiting beliefs and repressed feelings are the real root cause of illness. The corollary of this is that everything we need to heal is actually within us. Life Alignment works with the individual's higher consciousness - which is accessed through muscle testing and dowsing - to ascertain the root causes of the disease. Then, with the help of Dr Levin's powerful Life Alignment Vortex Cards, the healing process happens - rapidly and with incredible ease. Here are heart-warming and astonishing stories of how ordinary people lucky enough to have discovered Life Alignment have been instantly healed - from a range of physical and mental problems. Philippa's own story demonstrates the extraordinary power of the Life Alignment Vortex Cards which are just one aspect of this miraculous new system of healing: ' I visited a blood microscopist in Devon, to carry out an experiment using my own blood. Placing 3 Vortex cards on my body changed my blood cells from unhealthy to healthy in minutes. Normally this kind of transformation takes a minimum of 3 months and a strict diet to change previously unhealthy misshapen cells, which we all have, to healthy, round cells.' Life Alignment will genuinely change your life.
