Muse-eek Publishing, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wished you could better understand the guitar s fretboard, so that you could: See it as a interconnected map in your minds eye . Instantly apply that roadmap to great solos improvised not by accident, but totally by YOUR design . Understand chords and without hesitation, construct both simple and complex chords on the fly starting anywhere on the fretboard . Can you imagine what such abilities could do for your confidence and your playing? Music Theory Workbook for Guitar Volume One creates just this type of seamless marriage between your visual knowledge of the guitar fretboard and your understanding of the music theory behind what you are playing . Both guitar fretboard diagrams and traditional music notation are used to help you learn music theory. You can SEE, COMPARE and UNDERSTAND how notes look on your guitar fretboard and on a music staff at the same time. This crucial combination will be your secret weapon to learning music theory quickly and easily AND retaining it with no problems. The unique approach of this book has been used by thousands of guitarists to conquer the intricacies of the guitar fretboard. With time and application, the mystery disappears and you can not only understand music theory but also see it and know how to use it on your guitar. This ability will revolutionize your playing . With only a few minutes a day working with the Music Theory Workbook for Guitar Volume One, you will master the ability to: * Pick up what others are playing on the guitar by sight more rapidly . * See all intervals and chords by sight on the guitar . * Understand music theory...
