In an almost failing marriage, Gail Kuppan desperately cried out to the Lord for him to show her his view on the role of a wife. The revelations she received from the Lord astounded her as she realized that for almost twenty years of marriage she had had a worldly view, which was based on selfishness, rather than God s view, which was based on laying down her life. She set her heart to apply her newfound knowledge, which resulted in the beauty being unleashed in both her husband and herself, thus saving their marriage. Her desire is to see every marriage succeed. She believes that if God can do it for her at a time when she was almost giving up, he can do it for you too.
