BRAND NEW, Maggie's Miracle, Karen Kingsbury, In her second Christmas story, author Karen Kingsbury offers a heartwarming tale of a woman who no longer believes in love and the man who helps her learn that miracles really do happen. When she was 13 years old, Megan Wright spent a summer with a boy who shared with her his special definition of love. After college, though, Megan settled for a relationship based more on convenience than true feelings. Now, years later, a widowed Megan is looking for help with her lonely young son. Across town, Casey Cummins is still dealing with the tragic loss of his wife. His search for meaning and hope leads him to the Manhattan Children's Organization, who connects him with Megan's son. Now life is suddenly taking a series of unusual twists: Megan's prayers are answered with the long-ago promise of the miracle of love-in a way that only heaven in all its glory could have brought about.
