Against almost impossible odds, he recovered and in 1981 went on to found one of the world's first lifestyle-based cancer self-help and support programs. This edition is completely updated and contains whole sections that provide important new information and self-help techniques. Notable for its clarity, this book expands upon what is a truly integrated, holistic approach to cancer--emphasizing nutrition, the power of the mind, meditation, family and social support, and the spiritual dimension of life.
