Summary: Recovery is the road back to a childhood we never had -- a chance to heal the child within. Healing the pain of the past can be the most successful way to learn self-care and recapture the innocence and sheer delight in living that all children are born with the capacity to enjoy. This book contains an inspiring collection of messages that offer comfort, encouragement, serenity, and hope to anyone who has survived a painful childhood. Touching on issues of trust, denial, self-acceptance, forgiveness, and faith, the messages are illuminated by vibrant evocative paintings by renowned artist Laurie Zagon, an expert in color therapy. Paired with Claudia Black's profound insights, these paintings provide a moment for daily reflection, allowing the deeper truth of the words on the page to take root in the reader's consciousness. It's Never Too Late to Have a Happy Childhood will help you open the window, and let in the light that will lead you to your own inner beauty and greatness.
