Lady Olivia Sheridan knows one thing: she has loved Lord Damien forever. But when her beloved is accused of fathering another woman's child, Olivia's world is shattered in ways she never thought possible. Especially when Damien's accuser sets a huge price on his head, and Olivia discovers Damien's death will be the only outcome unless she does the one thing he will never forgive her for doing. When Olivia's plan to save him goes disastrously, dangerously awry, Damien doesn't think he'll ever see the light of day again and, with bitterness, he realizes that the woman he loves is capable of the ultimate betrayal. Now, four years later, Damien has returned. His eye is on one thing: seeking revenge for what Olivia did to him. Only his heart may get in the way. Because hell hath no fury like a man betrayed.
