Brand New Book ***** Print on Demand *****.From USA TODAY Bestselling author, Lexy Timms, comes a spin off from the Hades Spawn MC series - Beating the Biker. What do you do when the woman you love wants nothing to do with you? For Anthony Parks, aka Saks, disaffected member of the Rocco crime family and the road captain of the motorcycle club the Hades Spawn, life seems to suck right at the moment. Maybe because he can't get a certain blonde-haired goddess out of his head. When he met Christina Maria Serafini, his heart did a nose dive off a high, rocky cliff. He didn't know she was the daughter of a rival wise-guy family, the Serafini. By the time he realized, it was too late-he'd fallen for her. However, the rivalries between the two families proved the breaking point between them. So, Chrissy left and went to work for international businessman, James Pearson. Her grandfather told her to stay away from Saks, and she knew Saks would suffer the Serafini wrath if she continued to see him. But when she returns home for a brief visit, she's magically drawn to the one man she should be staying away from. When Saks proposes marriage, she finds herself unable to say no. Can they sacrifice their love for the sake of a peace between the Roccas and the Serafini, or will they defy both families to find their happily ever after? Beating the Biker Series Book III is the last book of Chrissy and Saks story. It has a HEA, a blazing hot biker, and sexy-as-sin scenes intended for mature readers over the age of eighteen.
