

Soil Mechanics and Foundation - (municipal engineering technology applicable)

Filesize: 4.1 MB

Reviews

This ebook may be worth a read, and far better than other. It is among the most incredible ebook i have read. You will like the way the article writer publish this publication.

(Candace Raynor)

SOIL MECHANICS AND FOUNDATION - (MUNICIPAL ENGINEERING TECHNOLOGY APPLICABLE)**DOWNLOAD**

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 185 Publisher: China Architecture Bookstore (formerly Building Industry Press) Pub. Date :2007-9-1. This book by the light of the Ministry of Construction, transportation and other writing about the latest industry standards. This book includes: conclusions, and engineering the physical properties of soil classification, soil stress, soil and ground deformation compression, shear strength and soil bearing capacity, earth pressure and slope stability, rigidity on the natural foundation shallow foundations, pile foundation and other deep foundation, ground handling, regional foundations, geotechnical degree examination guidance. This book can be used as municipal engineering and technical vocational education teaching professionals, but also compete for engineering work in the technical staff reference. Contents: Chapter Conclusion Section of Soil Mechanics and Foundation Section II the concept of the importance of studying and learning the course requirements of Chapter II of soil physical properties and engineering classification of the causes of Section II of soil composition and soil characteristics of the physical properties of soil indicators III IV V indicators of the physical state of soil engineering soil classification of thinking and stress Exercise Chapter III section of soil self-weight stress in the calculation of Section III land base pressure in the calculation of additional stress calculation of compression of the fourth chapter of soil and ground deformation of soil compression Section II Section III the calculation of final settlement of foundation settlement and the time relationship foundation thinking questions and exercises CHAPTER soil shear strength section bearing capacity of foundation soil and the shear strength of soil strength theory II - III limit equilibrium method for determining the shear strength of foundation deformation Section V to determine the allowable bearing capacity of foundation...
