

Engaging Learners

Filesize: 3.04 MB

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Xulon Press. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. An easy-to-read book of tips for busy teachers who want every student to be a successful learner. Written by a seasoned educator with the background of teacher, educational therapist, and principal, these suggestions will spur teachers to embrace the understanding that education is about effective learning and every student should be successful. This book is part Jill Whites series: Little Books about Big Ideas for Teachers. Look for more of the complete series at your favorite book distributor. Author and international speaker, Jill White has been a successful educator for over 30 years. She is also a powerful educational trainer and presenter. Her style has been described as thought-provoking, humorous, stimulating, and above all highly effective. Teachers enjoy Jills presentations because she challenges them to create classroom environments that help every student achieve, and she gives teachers the tools to make it happen! Not only does she train teachers in group settings, Jill is also a strong and highly qualified instructional trainer/coach for teachers in one-on-one settings. Administrators have expressed great appreciation for her work with their faculty. She excels in working personally with teachers, bringing out their best qualities, gifts, and proficiencies in the areas of engaging learners and classroom management. If you are a school leader searching for a substantial set of books to guide your way through a school-improvement emphasis, Jill Whites work is a must-read for you and your staff. The foundation of the effective school is laid out for the reader in a convincing, easy-to-read manner. Power-packed sections include classroom management, student expectations, building relationships, and the grand-daddy of them all-promoting active learning through effective teaching methods. - David Jones, Ed. D. , Retired School Superintendent This item ships from multiple...
