## Eco Baby: A Green Guide to Parenting (Paperback)

By Sally Jane Hall

GREEN BOOKS, United Kingdom, 2008. Paperback. Condition: New. 1st. Language: English . Brand New Book. Eco Baby shows new parents how to make the most ethical decisions about the products they buy and the way they live as new parents, as well as showing them an easy route to greening their baby's life. The author looks at every aspect of a new baby's life in the first year, including: Baby gear from cot to car seat Nappies - One of the biggest topics of debate recently: what are the pros and cons of disposable, versus washable nappies? Decorating the nursery - Besides raising concerns about the planet, paints, varnishes and furnishing materials may have an impact on your child's health, too. Clothing - Do you want to find clothing from organic sources that are nonallergenic and free from chemicals? Food - The benefits and advantages of breast feeding, a guide to formula milks, dairy intolerances and natural alternatives Toiletries - Some of our most famous toiletry brands, even those aimed at babies, contain artificial ingredients, fragrances and colours that raise health concerns. Toys and educational items - You can make your child's toy box more ethical by choosing wisely from sustainably managed materials and fairly...
