# PHYSICS OF ELEMENTARY PARTICLES (HARDBACK)

Princeton University Press, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. This is an introductory account of the physics of elementary particles and their interactions, with a minimum of formal apparatus and an ease of reading which, at present, is found in few other books in physics. It is designed for graduate students and for physicists not specializing in the field. The various phenomena are interpreted and correlated largely by means of elementary theoretical arguments needing...
