STIGLITZ (HARDBACK)** ebook.

MIT Press Ltd, United States, 2003. Hardback. Condition: New. New.. Language: English . Brand New Book. Essays by leading economic thinkers reflecting the influence of 2001 Nobel Prize winner Joseph E. Stiglitz. Throughout Joseph Stiglitz s long and distinguished career in economics, the focus has been on the real world, with all of its imperfections. His 2001 Nobel Prize recognized his pioneering research in imperfect information; his work in other areas, including macroeconomics, public economics, and development economics, has been just as influential. This volume, a collection of essays written to mark Stiglitz s sixtieth birthday, reflects the wide-ranging influence of Stiglitzian economics. The many distinguished contributors are his teachers, students, and coauthors; their participation testifies to the personal and professional impact of Joseph Stiglitz s contributions to contemporary economic thought.
