By Julian Edmund Tenison-Woods

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Explore the natural habitat of New South Wales in Fish and Fisheries of New South Wales, by Julian Edmund Tenison-Woods. This book tells you all you need to know about the fish and conditions for fishing in Eastern Australia. It was written by Father Tenison-Woods, a Catholic missionary priest and scientist. Father Tenison-Woods performed original research, travelling throughout Australia and beyond to investigate the natural world. He published more than 150 scholarly papers in scientific journals. Fish and Fisheries of New South Wales was published by the English colonial government, and eventually earned an award from William III of the Netherlands. Father Tenison-Woods goal was to make a complete handbook of fish and fisheries as well as to promote development of this important natural resource in Australia. The book is structured to provide easy reference for readers; it includes a glossary of scientific terms, plates illustrating the fish, a bibliography of other works related to fish and fisheries, plus a complete index. There are several fascinating chapters on some of the rare fish of the western Pacific Ocean,...
