## NEEDLE PAINTING, OR LANDSCAPE EMBROIDERY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Needle Painting, or Landscape Embroidery The great number of books already issued on the subject of Embroidery, have doubtless rendered the general public familiar with its history. Students of the Bible will readily recall the description of the curtains of the Ark which Moses was commanded to build. These hangings, for the gate of the court, says sacred history, were of blue and purple and scarlet and fine twined linen, wrought with needle work. The garments also of the High Priest were, a brodered coat, a mitre and a girdle, with the ephod of gold, of blue, of purple, of scarlet and fine twined linen, with cunning work. Again, in the building of the Temple of Solomon, the veil for the Temple was, of blue, and purple, and crimson, and fine linen, and wrought cherubim thereon. In fact, from Bible times to the present, altar cloths and priestly robes, exquisite in design, have been cunningly wrought with the needle. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
