Excerpt from The Life and Times of John Carroll, Vol. 1: Archbishop of Baltimore (1735-1815) These two volumes are the result of my lectures on American Church history at the Catholic University of America during the academic years 1919-1921, and I am happy to chronicle here the cooperation of my students in analyzing and criticising the many photostat documents which have been used for this work. The Catholic University of America has been a centre of study for American history since its foundation, and it is fitting in this regard to offer a tribute of recognition to the present Rector, the Right Reverend Bishop Shahan, for his inspiration in the planning of this work and for his constant encouragement.
