Not sure what a particular word or instruction means in your sewing, knitting or crochet pattern? Forgotten how to do that attractive embroidery stitch? It s nearly impossible to remember the countless terms and techniques, so it would only make sense to have a reference book on hand. The Needlecrafters Companion is the most comprehensive reference book of stitch and technique definitions for applique, crochet, embroidery, knitting, quilting and sewing as well as more specialist needlecrafts such as stumpwork, tatting and tailoring. Each entry provides a thorough meaning for each of its applicable crafts, while terms are cross-referenced to their US or UK alternatives where appropriate. Furthermore, many of the techniques are not only described, but illustrated with sequences of the stitches needed to do them, using clear step-by-step diagrams. From crafting enthusiasts to fashion students to industry professionals, needlecrafters of all skill levels will turn to this invaluable compendium time and time again.
