Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotonny at anytime of the time (that's what catalogues are for about should you question me).

(Matilda Hoeger V)

WRITE IT RIGHT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ambrose Gwinnett Bierce was an American editorialist, journalist, short story writer, fabulist, and satirist. He wrote the short story An Occurrence at Owl Creek Bridge and compiled a satirical lexicon, The Devil s Dictionary. His vehemence as a critic, his motto Nothing matters, and the sardonic view of human nature that informed his work, all earned him the nickname Bitter Bierce. Bierce was considered a master of pure English by his contemporaries, and virtually everything that came from his pen was notable for its judicious wording and economy of style. He wrote in a variety of literary genres. His short stories are held among the best of the 19th century, providing a popular following based on his roots. He wrote realistically of the terrible things he had seen in the war in such stories as An Occurrence at Owl Creek Bridge, The Boarded Window, Killed at Resaca, and Chickamauga. In addition to his ghost and war stories, he also published several volumes of poetry. His Fantastic Fables anticipated the ironic style of grotesquerie that became a more common genre in the 20th century.
