EMILE DURKHEIM AND HIS SOCIOLOGY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Emile Durkheim and His Sociology Part II discusses only a few of the problems raised by Durkheim's conception of the nature, scope, and method of sociology. Our main effort here is to indicate the advantages of Durkheim's broad view of sociology as a positive science of social behavior, as a rejuvenating method of social investigation, and as a solid foundation for an integral social philosophy. Sociology must don overalls and dig deeply for the fact-stuff that is its life-blood. But it must also, without trepidation, soar into the higher regions of rational thought whence alone come proper synthesis and integration. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
