Brand New Book ***** Print on Demand *****.Welcome to Washington, DC: the epicenter of American political power and wealth and home to Sadie, Coco, Nancy, and Winnie. While from the outside these women seem to have everything they want and more, their inner struggles with love, marriage, sex, money, and power test their own strength and the strength of their friendship. Meet Sadie, one half of one of the country's most wealthy couples, whose pain and loneliness drive her to develop an eating disorder and a drinking problem. Coco, a former model, is accustomed to a life of luxury. But when her boyfriend dies before marrying her, she's left with next to nothing and nowhere to go. Nancy's quest for power jeopardizes the stability of her marriage and threatens to undermine all the things that matter most including her relationship with her daughter, Paulina. Winnie, recently divorced, has plenty of money and a job she loves as a local television personality. But when a married business tycoon develops an interest in her and a giant news story comes along that could ruin her friendships, Winnie must decide what sort of person she really is.
