CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 90 pages. Dimensions: 8.0in. x 5.2in. x 0.2in. While it cannot be denied that the New Testament teaches that God did heal many people supernaturally in the first century, there are many in the church today who would be keen to downplay the present day relevance of such examples for those presently suffering with various forms of sickness and disease. The ministry of divine healing in the name of Jesus has been especially controversial in the last century, and has stirred up much religious feeling on both sides of the issue. At times this has been at least in part due to the unwise practices of certain well-known faith-healers. In some cases people have rejected divine healing because they could not accept some of the doctrines and practices of those who advocated it. The big question on the minds and lips of many concerned non-Christians and Christians alike today however, is Does God Still Heal Supernaturally Today The answer obviously is a big Yes! Today more and more people are thanking God for the healing they received from God, which was accomplished by a direct action of the Spirit of God in their bodies. There are reported cases of deaf ears opening, cripples walking, internal organs being healed, backs straightening and so on. Jesus Christ is still doing it! In this book **DIVINE HEALING: A Scriptural and Practical Approach**, you will learn some basic scriptural and practical truths about the subject of divine healing. Most importantly, you will be learning about the scriptural proofs of divine healing, false doctrines that obstruct divine healing, the role of faith in divine healing, different ways to receive divine healing and obstacles to effective divine healing ministry. The book also answers some...
