

Molinism: The Contemporary Debate (Hardback)

Filesize: 6.96 MB

Reviews

Absolutely essential read through book. it was actually writtern quite properly and useful. Its been developed in an remarkably basic way and it is only following i finished reading through this ebook where really changed me, modify the way i believe.
(Torrey Jerde)

MOLINISM: THE CONTEMPORARY DEBATE (HARDBACK)

Oxford University Press, United Kingdom, 2012. Hardback. Book Condition: New. 220 x 144 mm. Language: English . Brand New Book. Molinism, named after the sixteenth-century Spanish Jesuit Luis de Molina, re-emerged in the 1970s after it was unwittingly assumed in versions of Alvin Plantinga's Free Will Defence against the Logical Argument from Evil. The Molinist notion of middle knowledge-and especially its main objects, so-called counterfactuals of (creaturely) freedom-have been the subject of vigorous debate in analytical philosophy of religion ever since. Is middle knowledge logically coherent? Is it a benefit or a liability overall for a satisfying account of divine providence? The essays in this collection examine the status, defensibility, and application of Molinism. Friends and foes of Molinism are well represented, and there are some lively exchanges between them. The collection provides a snap-shot of the current state of the Molinism Wars, along with some discussion of where we've been and where we might go in the future. More battles surely lie ahead; the essays and ideas in this collection are likely to have a major impact on future directions. The essays are specially written by a line-up of established and respected philosophers of religion, metaphysicians, and logicians. There is a substantive Introduction and an extensive Bibliography to assist both students and professionals.
