One True Horror. An old house stands on Normandy Road, uncared for and uninhabited for years, until one day, believing an urban legend that no-one dares to live there, a young boy decides to cross its threshold. Yet the house is far from empty - within its walls, a terrible evil has been disturbed. It will take one brave soul three of the longest nights of his life to unlock its secrets, but will he live to tell the tale? *** Although told as a work of fiction, this tale really is based on a true story. Part of the Haunted Minds series of books. A supernatural ghost thriller from the creator of the Dark Winter Trilogy and A Tale of Vampires Series Editorial Review The Ghost of Normandy Road should be an award-winning novel because it is well written and riveting. I highly recommend it for adults, as well as young adults. It is the perfect book for anyone who likes scary stories. - Kristen Van Kampen for Readers Favourite.
