Date :2007-5-1. The students entered the ninth grade. it means the test is near. So. what kind of approach should be taken to learn the ninth-grade chemistry. in order to win the test of victory Please your attention to the following aspects: 1. Early preview before class time to practice after school. everything Yu (pre-) is established. not Yu (pre-) the waste. Through the rehearsal. you clear learning objectives for each lesson and they do not understand the issues. can be targeted to greatly improve the efficiency of classroom learning; modest after-school training is very necessary. this will strengthen your memory. to deepen understanding to broaden knowledge and enhance capacity. (2) detailed view of Chaduo Si is a good question chemistry laboratory-based disciplines. for chemistry experiments you can not just watch the fun. is not subtle. You have to look closely before reaction. reaction. reaction. and have a few more like Why Do know these. but know why; for chemical concepts and principles are true. we must understand the nature of...
