Austin Macauley Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. There are only a few people in life who are chosen, special. Their existence seems utopic and they look to the rest of us as if they have it all sorted; but perhaps we are missing the journey that they have been on to find such peace and contentment. The Colour of Dreams is a magical tale with a dreamlike quality set against a backdrop of process and determination. Sakina, a wise and peaceful Guardian, guides and directs our chosen one through Trefallag and Leafalla, when the leaves fall. The task to behold the Key of Levai is vital for with it comes the release of seeds to save unselfish spirits and preserve life in all forms. Together they journey through misty, ethereal places into the bowels of the earth, their hair becoming tangled with webs and the wind roaring. Sakina maintains a majestic feline grace and in trance like states they take their rest in the earthy and damp roots of trees. The goal is merely to reach a place where dreams are realised and souls can live in harmony.
