King was growing up, her father frequently told her and her siblings stories teaching them how to be better people and make good decisions in life. He would conclude the message with the words, I have just given you one thousand treasures. In Words Worth a Thousand Treasures, King shares a collection of these special stories and fables that relate to everyday life, each followed by a short moral message. Passed from generation to generation, the stories show that even at low times in life, better days are ahead. Enriching and inspirational, the stories presented in Words Worth a Thousand Treasures remind us that treasures come to us each day in many different forms. Through these messages, King delivers the idea of the importance of bringing peace to one s world, viewing each day in a new light, and living a happier and more meaningful life.
