

The Grand Design - V: Reflections of a Soul/Oversoul (Paperback)

By MR Paddy McMahon

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sooner or later questions such as "Who and/or what am I? Where did I come from? How can I find meaning in my life? How can I reduce the pain of self-realisation? What will happen to me when I die?" begin to niggle at each of us. This book provides answers that come from a spirit being named SHEBAKA. The Grand Design books, of which there are five volumes, explore life in all its aspects both in the physical world and in spirit. Inter alia, they explain how we came to inhabit physical bodies and what happens to us when we die; and they provide facts, concepts and suggestions designed to help us, in cooperation with our guides/guardian angels if we so wish, to find ever increasing happiness and fulfillment in our expression.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stante that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
