

The Melody of Theology: A Philosophical Dictionary (Paperback)

Filesize: 5.13 MB

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who stante there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

(Dr. Deonte Hammes DDS)

THE MELODY OF THEOLOGY: A PHILOSOPHICAL DICTIONARY (PAPERBACK)

Wipf Stock Publishers, United States, 2014. Paperback. Condition: New. Reissue. Language: English . Brand New Book ***** Print on Demand *****.Endorsements: This is the ultimate bedside book. Replete with sinuous, compact discussions of first and last things--sin, faith, grace, and John Henry Newman--it reflects Jaroslav Pelikan's lifelong commitment to what he calls the great new fact of Christianity . . . This book works like a tuning fork for the mind. With it, the harmony of Pelikan's thought and life has itself become part of the great Christian tradition. --Christian Science Monitor This is a rewarding and exciting book from beginning to end. It shows the reflection of a master of his work, where the work continually reveals the author's enjoyment, both exemplifying and satisfying Horatio's *utile dulci*. Packed with knowledge and insight, it informs, stimulates, and delights. It also corrects, or at least reproves, some vulgar errors . . . A valuable book. --Roland M. Frye I found Pelikan's thinking fascinating, elegant, informative, scholarly, and deeply personal and attractive . . . There is always some insight to gain. [Pelikan's book] provides a course in nearly the whole of Christian faith and history--in terms of just one person's journey. --Robert B. Coote, Pacific Theological Review Jaroslav Pelikan ranged so widely in his exploration of historic Christian traditions, and his work probed so deeply, that it is a real boon to see Wipf and Stock bringing some of his books back into print. They were excellent reading when they first appeared; they remain excellent reading today. --Mark A. Noll, McAnaney Professor of History, University of Notre Dame.
