FLESH AND STONE (PAPERBACK)

PM Hernandez Publishing LLC, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seventeen-year-old Ellie Whitewood dreams of being a doctor and giving back to the grandfather who raised her after the death of her parents. When she receives an inheritance from a reclusive aunt, she becomes the mistress of a sprawling manor. Selling the property to pay for college seems like the answer to her prayers, but each day she grows more and more attached to the stone gargoyles adorning the manor rooftop. After finding the Whitewood journals, she learns she is the latest in a line of Caretakers who, with her Sentinels, defends the world from evil. While she is drawn to her Sentinel, Gabriel, and her new life, her future isn't written in stone. Haunted by dark dreams and facing deadly enemies, is she willing to sacrifice her well-laid plans and accept her new calling, even if it comes with wings and sharp teeth? Flesh and Stone is a young adult paranormal featuring demons, gargoyles, magic, and one very conflicted teen.
