

## The Poetry of African American Invention: When One Door Closes Another Opens

Filesize: 1.18 MB

### **Reviews**

*It is fantastic and great. This is for those who stutte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.*

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The myriad contributions of African-Americans in the context of the scientific and industrial growth of the United States have never been popularized. Beyond the names of George Washington Carver, Daniel Hale Williams, and Charles Drew, it is doubtful that many Americans of any age could name a single additional scientist or inventor of African American descent. The poems range from medium length to quatrains, from biographical to humorous. The biographical poems furnish a succinct look at the lives of the inventors, and most include the year(s) of their inventions. The humorous poems (such as James Ricks ) will appeal to children, with their brevity and unique rhyming schemes making them easy to memorize. Mary J. Session, Ph.D Historian.
