(PAPERBACK) book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Jesus of religion, the Jesus of faith has always been portrayed by the Roman Catholic Church as a unique Jesus. Unique that is, in both his life events and in his claim to be the Jewish Messiah. This claim of the uniqueness of Jesus, upon which the early Christian Church was founded has been maintained and fostered for almost 2,000 years. But the stark reality is that Jesus was not unique! This book dispels the myths surrounding the events in the life of Jesus of Nazareth as expounded by the Roman Catholic Church and explains very clearly where indeed the origins of the story of the life of this most famous historical person truly lie. And what about the doctrines, dogmas and teachings on which the Roman Catholic Church professes to have been founded? Where did they originate? Is the Roman Catholic Church built on the teachings of Jesus or on the writings of Paul? Who was Mary Magdalene? What was her relationship with Jesus? Why has the Roman Catholic Church for centuries castigated her as a sinner and a prostitute? What is the connection between Copernicus, Galileo and Mary Magdalene? How did it come about that Rome, after centuries of persecuting the Christians, became the leader of the world-wide Roman Catholic Church? The answers to all these questions lie within this book! Prepare to be shocked! But the truth will always out! And so it is!.
