NOBLE VOL. 1: GOD SHOTS (PAPERBACK)

Lion Forge, LLC, The, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Astronaut David Powell was one of the team of five astronauts who took on the suicide mission of destroying the Icarus2 asteroid before it could collide with Earth and annihilate all life on the planet. The team succeeded, but as a result of the explosion, David gained the ability of telekinesis, the means of moving matter with one s mind. David also lost his memories. Now back on Earth, David is traveling throughout the world, taking on different identities and jobs, helping people while his powers grow. Fighting to stay alive and out of the reach of the Foresight Corporation and its CEO, Lorena Payan. Hoping to one day remember his life, his name, and the mysterious woman and young boy in his memory flashes. His wife and son. David s wife, Astrid Allen-Powell, has been receiving secret messages from an informant within Foresight, confirming David is alive. Astrid is now on a mission: to get her husband back. To put her family back together. Astrid Allen-Powell is much more than most people realize, and she will use every skill and weapon in her arsenal to get back the man she loves. The first series of the Catalyst Prime superhero universe is collected, with art by series regular Roger Robinson and Jamal Igle (Supergirl, Black).
