A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Michael Walmer, Australia, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.FIRST INTERNATIONAL PUBLICATION Welcome to the colourful world of the White family. It is the early 1930s, the Great Depression, and they have fallen on hard times. Like many others, they have been on the road , travelling in search of work, but have now settled in the travellers camp at Warning Hill, just outside the country town of Tiburon in central New South Wales, living in a hut of their own making. Dave White, the patriarch, is so only in his own estimation. His hard drinking, sly wrangling, complaining and leeching dependency drive his motherless children mad. The older children are spread across Tiburon in jobs of questionable security in these tough times, while the younger ones go to school fitfully. Hopefully, the advent of Miss Jessica Daunt, the new young teacher at the tiny Warning Hill school, will prove a drawcard. Paul White, the bookish, gentle one of the family, working as a farmhand at the Dwyers homestead where Jessica boards, is certainly very taken by her! But what will she make of him? With an extraordinary cast of memorable characters, Kylie Tennant s first novel explores an Australian country town of the time with a sharp eye for what makes people tick. Whether it be a harridan pub-keeper who can t keep her bargirls in order, an obsessed policeman who concentrates so hard on the letter of law and order that he s constantly undone by simple humanity, a left-leaning parson who loves a good talk a little too much, ladies of means who can t believe it when their charity is rejected, or various shonky shop owners who d sell their own grandmothers if..
