Child Abuse Trauma: Theory and Treatment of the Lasting Effects

By John N. Briere

SAGE Publications Inc, United States, 1992. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. I found this both remarkably informative (the book provides an excellent synthesis of current literature on child abuse research) and liberating when thinking about past and present clients. Briere has a special talent for making sense of the internal experience of child abuse survivors. An excellent book which should be on the bookshelf of counsellors or therapists working with adolescents or adults - Counselling and Psychotherapy, The Journal of the British Association for Counselling and Psychotherapy This volume considers the unique and overlapping long-term effects of all major forms of child maltreatment. The author integrates information on seven types of child abuse and neglect - ranging from sexual and physical abuse to mistreatment by alcoholic or drug-addicted parents - and outlines the complex ways in which abuse impacts on later psychosocial functioning. Briere reframes traditional notions of psychopathology and describes treatment approaches to abuse-related Post-Traumatic Stress Disorder, interpersonal dysfunction, self-destructive behaviour, impaired self-reference and borderline personality disorder. Child Abuse Trauma will be an invaluable resource for abuse specialists and for general therapists who want to...

Reviews

This book could be worthy of a read through, and a lot better than other. It can be full of knowledge and wisdom I am just happy to tell you that here is the best book we have read through inside my personal lifestyle and could be the finest pdf for ever.

-- Miss Concepcion Gusikowski DDS

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
