Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Handbook of Happiness talks about entrepreneurship, modern generation psychology, determination and self-contentment. Why don't we work to achieve what we have always dreamt of? Why is our life not changing? Is it because we don't know what we lack or is it because we are lazy, and we are not confident? Is it because we doubted ourselves all the times and we did not have the confidence when we needed it either in our study pattern or the work pattern? We all dream big; greater lifestyle: nice food to eat every day, better cloths to wear everyday and we always want other people to appreciate us. But where is the work we are doing?.
