Excerpt: .for nearly a year have proved to be the most orderly group that appears there. Many of these men are automobile spongers and desire to become mechanics. The school is studying the possibility of giving them a helpful mechanical course. How a group of younger colored boys are working with tools in the shop; how a few talented white children of the neighborhood are given piano and violin lessons, and how a group of white boys have come in off the street to use the gymnasium and to form a club--all of this was told most interestingly by Mr. Lewis. The final project is an afternoon kindergarten, conducted by girls in the normal department. The regular classes in the primary school assist in this work by giving entertainments for the kindergarten children. All of these projects are undertaken in a larger spirit than that of..
