Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Co-Op Involvement and Opportunities in the Seed Industry Public Perceptions The public s lack of knowledge about biotechnology inhibits the introduction of biotechnology into the production of consumer goods. Public concerns and misperceptions about the safety of genetically engineered products have led to delays in field trials and product introduction. A better informed public would be less apprehensive about goods produced through biotechnology. The education process should involve members from private enterprise, research institutions, universities, media, and government to ensure a broad base of opinions and to reduce the possible conflicts of interest or even the appearance of such conflicts.
