Bowen Press HR, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. Abraham Lincoln s Gettysburg Address is familiar to all Americans. But never has his most famous speech--his 271 indelible words--been presented in such a visual and accessible format. Graphic artist and Civil War aficionado C. M. Butzer deftly uses a detailed, comic-book style to depict the Battle of Gettysburg; the national movement to create a memorial there; and the quiet day in 1863 when Lincoln delivered his galvanizing speech. Butzer uses only primary sources for the text, drawing from first-person letters and diaries, speeches, and Lincoln s own writing to unpack this series of historical events. The address itself is played out over eighteen pages, with every phrase given a visual interpretation that will resonate with young readers.
