## Reviews

This publication may be really worth a go through, and a lot better than other. It really is full of knowledge and wisdom Its been printed in an exceptionally easy way in fact it is simply after i finished reading this publication by which basically modified me, affect the way i really believe. (Troy Dietrich DDS)

## **GOD - THE SECRET REVEALED (PAPERBACK)**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Does God exist? If he does where do I find him? Many questions like this come into our mind, but we are never able to find answer to them. This book answers all our questions regarding God, his existence, our existence and way to find God in our daily life, etc. The book explains us the truth behind all existence. The book has knowledge inspired by Vedas, Upanishads and Gita. We can t change situations but we can surely change ourselves. We can change ourselves if we know who we are. This book helps us in finding the answer to who we are and how we can be strong enough to face all situations with proper knowledge. Even the richest of the person is unsatisfied and sad. This is because he thinks he is responsible for everything he is doing. This book helps in removing this misunderstanding in our mind. We are apart from our karmas. We are apart from each and everything happening around. We are actually in complete peace always but because of ignorance we get involved with each and everything around. This book will help to shed away the ignorance and attain knowledge. Ultimately leading to peaceful life. This knowledge in this book is very important for each and every one of us, in spite of whatever religion we are following. This knowledge is important for kids. Lot of religious books have been manipulated with time and now whatever we read is very different from the original text. After reading this book and gaining the basic knowledge whenever we read any other religious book, we can understand them in much more depth. This book is a medicine for...
