

Outline of Esoteric Science (Classics in Anthroposophy)

By Rudolf Steiner

Anthroposophic Press. Paperback. Book Condition: New. Paperback. 480 pages. This recent translation of a masterwork of esotericism places humankind at the very heart of the vast, invisible processes of cosmic evolution. When we use the term natural science dont we mean that we are dealing with knowledge of nature Esoteric science is the science of what takes place esoterically, in the sense that it is perceived not outside in nature but where ones soul turns when it directs its inner being toward the spirit. Esoteric science is the opposite and counterpart of natural science. Rudolf Steiner As vital and relevant as when it was first published in 1910, this masterpiece of esoteric, Rudolf Steiner worked and reworked on rosicrucian cosmology for many years to make it increasingly precise and accurate. This work remains the most effective presentation to date of a spiritual alternative to contemporary materialist cosmologies and the Darwinian view of human nature and evolution. In this basic work of spiritual science, readers learn how the creation and evolution of humanity is embedded at the heart of the vast, invisible web of interacting cosmic beings, through whom the alchemical processes of cosmic evolution unfold. There are also descriptions of..
