From the top of the mountains was the sightseeing of a large valley that stretched inland, where it had a wonderful view of the clear and calm waters of the lake Ahnatnom, and vegetation that surrounded the city of Adarolf, with its abundance of flowering trees and small plants adorning the edge of the lake and the village Ahnatnom. The village houses were all well aligned and planned, with front of tinted windows and whitewashed walls. Everyone knew he had two hearts. And thus they did not know which one to trust. If the good or the bad. After all this was an unusual case. And all that is abnormal causes terror to the more flashy looks. More surprising yet is when we have no idea how to act and we do not know who we are dealing with. After all no other living creature had two hearts. And the heart that dominated Oidile was the scariest. This is a tale about a kingdom, the challenges, changes and relationship of the people living at that time.
